

# The Migraine Symposium

Saturday, March 28, 2020

The Omni Hotel

One West Exchange Street | Providence, RI

**Jointly Provided By**

Warren Alpert Medical School *and* Association of Migraine Disorders

# The Migraine Symposium

## Program Description

This symposium brings together experts from several medical specialties to discuss new frontiers in migraine clinical and research advances - both in diagnosis and treatment.

## Target Audience

Primary care physicians, psychiatrists, anesthesiologists, emergency medicine physicians, gastroenterologists, neurologists, OB/GYN physicians, pediatricians, psychologists, physician assistants, nurse practitioners, registered nurses, pharmacists, social workers, residents, fellows, and medical students.

## Competencies Areas

ABMS: Patient Care and Procedural Skills | Medical Knowledge | Practice-Based Learning & Improvement

IOM: Provide Patient-centered Care | Employ Evidenced-Based Practice | Apply Quality Improvement

## Learning Objectives

At the conclusion of this activity, participants should be able to:

- Identify how migraine manifests in children which will lead to proper diagnosis and more accurate treatment.
- View migraine from a full-body perspective.
- Identify the interplay between migraine and other co-morbid conditions such as mood disorders and gastrointestinal disorders.
- Assess traumatic brain injury and how it may lead to migraine.

## Planning Committee

**Melissa Calise & Alicia Torborg** - Association of Migraine Disorders

**Jim Carleton** - Tri-County Community Action Agency

**Frederick Godley, MD** - University of Rhode Island & University Otolaryngology

**Julie L. Roth, MD** - Brown University & Neurology Foundation, Inc.

**Michael Teixido, MD** - Comprehensive Spine Center

**Jennifer Maloney & Maria Sullivan** - Warren Alpert Medical School, Brown University

---

## Saturday, March 28, 2020 MEDICAL SYMPOSIUM

9:00–10:30 am	<b>Pediatric Medicine</b> <i>Karen Kaczynski, MD</i> Psychological Approaches to Assessment and Treatment of Pediatric Migraine <i>Christopher Oakley, MD</i> Pediatric Migraine: A Multidisciplinary Treatment Approach <i>Jacob Brodsky, MD</i> Vestibular Pediatric Migraine Disorders	<i>Vincent Capaldi, Sc.M, MD</i> The Relationship Between PTSD, Sleep and Migraine <i>Lindsay Grayson</i> K9 Therapy for PTSD <i>Benjamin Kelmendi, MD</i> The Case for MDMA in the Treatment of PTSD <i>Clas Linnman, PhD</i> Measuring Neuroinflammation in Chronic Pain

12:00–1:00	<b>Lunch</b>	<i>Gretchen Tietjen, MD</i> Migraine, Irritable Bowel Syndrome and the Brain-Gut Microbiota Axis <i>Christopher Velez, MD</i> Cyclical Vomiting Syndrome and the Functional Nausea and Vomiting Disorders: Commonality with Migraine
1:00–3:30	<b>The Link Between Migraine and Mental Health</b> <i>Nasim Maleki, PhD</i> Intersection of Migraine and Mood Disorders <i>Gretchen Tietjen, MD</i> Childhood Maltreatment, PTSD and Migraine	
		6:15 PM <b>Adjourn</b>

# Guest Faculty

## Course Directors

*Frederick Godley III, MD*  
Adjunct Ryan Research Professor of Neuroscience  
University of Rhode Island  
President, Association of Migraine Disorders  
Physician, University Otolaryngology  
Providence, RI

*Julie L. Roth, MD*  
Associate Professor of Neurology  
Associate Professor of Medical Science  
Warren Alpert Medical School of Brown University  
Director, Women's Health in Epilepsy  
Neurology Foundation, Inc.  
Providence, RI

## Faculty

*Dale S. Bond, PhD*  
Professor of Psychiatry and Human Behavior (Research)  
Warren Alpert Medical School of Brown University  
Providence, RI

*Jacob Brodsky, MD*  
Assistant Professor, Department of Otolaryngology  
Harvard Medical School  
Associate in Otolaryngology, Boston Children's Hospital  
Boston, MA

*Jim Buskirk, PT, DPT, SCS, MSED*  
Associate Professor, Research  
University of Miami Miller School of Medicine  
Physical Therapist, Chicago Wolves Professional Hockey

*Vincent F. Capaldi, II, Sc.M., MD*  
Associate Professor, Uniformed Services University  
Deputy Center Director  
Center for Military Psychiatry & Neuroscience  
Bethesda, MD

*Alison Field, ScD*  
Professor of Epidemiology,  
Brown University School of Public Health  
Professor of Pediatrics  
Warren Alpert Medical School of Brown University  
Providence, RI

*Stephanie Fulton, PhD*  
Associate Professor of Nutrition and Neuroscience  
University of Montreal, Montreal, Canada

*Lindsay Grayson*  
Donor Relations Manager, K9s for Warriors  
Jacksonville, FL

*Grant Iverson, PhD*  
Director, Neuropsychology Outcome Assessment Laboratory  
Department of Physical Medicine and Rehabilitation  
Harvard Medical School & Spaulding Rehabilitation Network  
Director, Sports Concussion Program, Mass General Hospital  
for Children, Boston, MA

*Karen Kaczynski, PhD*  
Assistant Professor of Psychology  
Harvard Medical School  
Associate Director of Psychology, Pediatric Headache Program  
Boston Childrens Hospital  
Boston, MA

*Benjamin Kelmendi, MD*  
Assistant Professor, Department of Psychology  
Yale University School of Medicine

Assistant Chief, Clinical Neuroscience Research Unit  
Connecticut Mental Health Center,  
New Haven, CT

*Brad Kuo, MD*  
Gastroenterologist & Internist  
Massachusetts General Hospital  
Boston, MA

*Richard Lewis, MD*  
Associate Professor, Otolaryngology and Neurology  
Harvard Medical School  
Medical Director, Jenks Vestibular Laboratory  
Massachusetts General Hospital  
Boston, MA

*Clas Linnman, PhD*  
Assistant Professor of Physical Medicine and  
Rehabilitation  
Harvard Medical School  
Spaulding Rehabilitation Hospital & Imaging Lab  
Charlestown, MA

*Naism Maleki, PhD*  
Assistant Professor of Psychiatry  
Harvard Medical School  
Massachusetts General Hospital  
Charlestown, MA

*Christopher Oakley, MD*  
Assistant Professor of Neurology  
Director, Pediatric Headache Center &  
Headache Medicine Fellowship  
Johns Hopkins University  
Baltimore, MD

*Margaret Slavin, PhD, RD*  
Associate Professor of Nutrition and Food Studies  
George Mason University  
Fairfax, VA

*Gretchen Tietien, MD*  
Distinguished University Professor Emeritus  
Inaugural Chair of Neurology  
Director of Headache Treatment & Research Program  
Director, Stroke Program, University of Toledo  
Toledo, OH

*Christopher Velez, MD*  
Instructor in Medicine, Harvard Medical School  
Assistant in Medicine, Gastroenterology Department of  
Medicine, Massachusetts General Hospital | Boston, MA

## REGISTRATION INFORMATION

Register online at: [www.MigraineSymposium.org](http://www.MigraineSymposium.org)

Conference registration fee includes: Breaks, lunch, CME certificate, access to awards ceremony.

## REGISTRATION FEES

\$60.00 Healthcare Professionals

## CANCELLATION POLICY

A full refund will be provided if requested at least 30 days before the event date, March 28. Refunds will not be granted after February 28, 2020.

## CONFERENCE LOCATION

The Omni Hotel  
1 W. Exchange Street  
Providence, RI 02903

## FOR MORE INFORMATION

Contact the Association of Migraine Disorders  
PO Box 870, North Kingstown, RI 02852
