HEADS REGISTRY

HEADACHE, EAR, AUDITORY, DIZZINESS, SINUS REGISTRY

YOUR EXPERIENCE CAN ADVANCE RESEARCH

Help researchers understand **symptoms**, identify **effective treatments**, and **improve care** for *millions* of people.

This registry is a comprehensive questionnaire that you **update once a year**.

Along the way, we will share **key insights** with you.

Join the HEADS Registry Today

Now recruiting adults in the U.S. with any of the following symptoms:

Ear pain or pressure

Sensitivity to sound

Ringing or pulsing in the ear

Headaches

Migraine

Aura

Dizziness

Vertigo

Balance difficulties

Sinusitis

Facial pain & pressure
